# Who are we?

Established in 2017 we are creators of truly unique immersive events in the UK and Europe. Our events are bespoke and aim to encourage people to have fun in unusual ways. We're experienced in delivering large scale, high quality, impactful events to drive engagement and footfall.

# What we're famous for

We hold the largest stock of balls in Europe and we're the UK's largest ball pit for hire. We offer bespoke custom ball pits to fit any shape or size.

**BALL PITS ARE OUR FIRST LOVE**

# WHAT WE'RE PASSIONATE ABOUT

Immersive events. We can bring spaces alive to amaze the senses. Whether it's to bring out the child within, create truly beautiful content or create a community art movement we've got the knowledge and expertise to deliver.

# Modular ball pits

## BRING THE FUN

We can create a ball pit to fit any size or shape space. Our one of a kind modular system allows us to create a ball pit from 8m<sup>2</sup> to well over 100m<sup>2</sup>. Each panel is made from lightweight aluminium and can be banded. To keep all the balls contained we then place a high strength sports netting around the sides and roof if needed.
